SQAA+ Support

The strength of the program lies in collective learning and shared experience

National Workshop on SQAA+ | 2nd – 3rd February, 2026

Purpose of Support for SQAA+

SQAA+ support is designed to:

- Enable meaningful implementation, not just compliance
- Combine learning, problem-solving, and connection
- Build capability of schools and mentors over time
- Adapt as needs and challenges evolve

Support Structure

SQAA+ Support

Learn

Tailored learning journey for schools and mentors

Frequency: Monthly

- Virtual capacity building sessions with experts

Solve

Ongoing troubleshooting

Frequency: Need-based

- Chatbot on SQAA+ Platform
- Consultation sessions with SQAA+ Team
- One-on-one or small-group support sessions

Connect

Peer learning across schools and mentors

Frequency: On-going

- WhatsApp community for questions, guidance, and updates

The Support Process

Schools and mentors share progress, challenges, and data

Engagement & Updates

Tailored learning sessions, virtual office hours, etc. are designed and facilitated

Need Analysis

Targeted Support

Stronger Implementation
